SOVIET BLOC PRODUCTS SOLD IN CHINA, OCTOBER 1953

Summary: A wide variety of industrial products imported from the Soviet Bloc is currently advertised for sale in Tientsin. Ranging from simple tools to delicate scientific instruments, they include stainless steel, bearing alloy, concrete mixers, magnetic ore detectors, refractometers, and 3½-ton trucks.

IMPORTED INDUSTRIAL PRODUCTS -- Tientsin, Ta Kung Pao, 24 Oct 53

The Tientsin Branch of the China Metal Machinery Company has advertised the following imported products for sale:

<u>Metals</u>	<u>Country</u>
Zinc materials	USSR
Iron straps 3/4" x 20" and 30 x 1.5 m/m	Germany
<u>Steel</u>	
Stainless steel	USSR
High-speed tool steel	Czechoslovakia, USSR
Steel spring wire	USSR
Hexagonal steel rods	USSR
Carbon steel	Czechoslovakia
Steel with low coefficient of expansion and contraction	Germany
Various kinds of alloy steel	Czechoslovakia
Bearing alloys	USSR
Plain steel wire	Germany
<u>Machinery</u>	
Shears	Germany
Crushers	Czechoslovakia
Heavy model saws, Cyklop	Germany
Diesel-operated concrete mixers	Hungary
Band saws	USSR
"M2" Universal valve grinders	USSR
Screw-threading machines, GCA-75-60	Germany
Electrically operated concrete mixers	Hungary
<u>Tools</u>	
Plain steel blades	Germany
Straight edge chisels	USSR
Carpenters' saws	USSR, Germany, Czechoslovakia
Hacksaw blades	Poland, Czechoslovakia
Drills (OP)	Germany
Various types of tungsten blades	USSR
Band saws	Germany
Socket wrenches	England, Holland, Germany
Pneumatic drills	Hungary, Germany
Electric drills	Germany, Czechoslovakia

Scientific InstrumentsCountry

Instruments for measuring concentration of hydrogen ions (p H) MV.X100PH, X ₁ 110/25/220V	Germany
Thermometers (Explosion type)	Germany
Various types of telescopes	Germany
Levels, Zeiss No 60	Germany
Levels, Officine Galileo Livellopb	Italy
Sextants, VEB O-120	Germany
Suspension theodolite VEB Fleibel G	Germany
Magnetic ore detectors, Askania GF 6	Germany
Universal refractometers, Zeiss Model 1	Germany
"Cold" Refrigerators, 60 degrees centigrade	Germany
Automatic pluviometers, Model 1509	Germany
Microtensimeter, (Single fiber) FOIC, 220V/12V	Germany
Machines for testing ductility FMGW 500 and FF30	Germany
Various types of pressure gauges, kg/cm unit	Germany
Wet-and-dry bulb hygrometers, Model 708 1/5°C	Germany
Explosion gauges, BP 30-C-60	Germany
Electrical titration instruments, (polarographic) NX10-9A	Czechoslovakia
Constant-temperature bath, NB Model 220V	Germany
Sidereal time, [instruments] Lange VEB	Germany
Chronometer, A. Lange	Germany
Solar time [instruments] ABAUF	Germany
Small-model projectors, Zeiss 104220V	Germany
Small-model polarimeters, Zeiss P5.04m/m	Germany
Large-model desiccators, 8 x 250 (100) kv 14380V	Germany
Various camera lenses, Zeiss	Germany
Electrically operated torsional gauges, FM 70/30	Germany

Miscellaneous

Brass wire screens	USSR
Asbestos 1.5-4	USSR
Solder 3.25 m/m	Hungary
Gunny sacks	Czechoslovakia, Poland

HUNGARIAN 3½-TON TRUCK -- Tientsin, Ta Kung Pao, 20 Oct 53

The Harbin Branch of the China Communication and Electrical Equipment Company has for sale imported Hungarian Csepel D350 Model 3½ ton diesel trucks. The advertisement stresses the following points: steadiness, speed, capacity, and economy. The advertisement states that the truck uses 3 shih liang [one shih liang equals 1.1023 ounces] of diesel oil per kilometer.
